Letter of recommendation

Vattenfall is one of Europe's largest generators of electricity and the largest producer of heat.

Vattenfall IT, within which Vattenfall IT Services Poland Sp. z o.o. operates, is the internal provider of IT services for the entire Vattenfall Group. It is an international shared service centre, providing efficient and reliable IT services and support to the Vattenfall Group, employing 1 300 people in Denmark, Finland, Germany, Poland and Sweden.

The cooperation between the Company and MDDP Outsourcing commenced in 2013 and is still live. MDDP is responsible for bookkeeping, preparation of tax returns, inputting payments into the banking system, issuing sales invoices, statutory and management reporting. MDDP's important role is assisting in solving emerging problems as well as supporting legal and tax advisors.

Professional attitude and previous experience of cooperation allows us to confidently recommend MDDP Outsourcing as a reliable business partner.

Yours faithfully,

Joanna Szombierska
