## To whom it may concern : letter of recommendation

Boplan is the top manufacturer of safety products

### A SAFETY SOLUTION FOR EACH SPECIFIC APPLICATION

BOPLAN® designs, develops and manufactures sustainable and highly effective fall and collision protection for the most demanding environments. All our safety products have only one goal: the protection of people, vehicles, buildings and infrastructure. For the production of our security products, we exclusively use HIGH-QUALITY AND VERY HIGH-PERFORMANCE PLASTICS with properties that far surpass those of traditional materials.

### SAFETY SYSTEMS DEPLOYED WORLDWIDE

The MODULAR SAFETY SYSTEMS of BOPLAN® are the most innovative on the market and protect numerous industrial buildings, warehouses, factories, airports, drilling platforms and (petro)chemical sites worldwide. For each specific application, we have a safety solution.

For all reporting with regards to our legal entity in Poland we rely on MDDP. Boplan Polska Sp. z o.o., ul. Graniczna 34B/U16, 41-300 Dąbrowa Górnicza, is a subsidiary of Boplan Industries BV. We value the professional attitude and the cooperation thusfar allows us to confidently recommend MDDP Outsourcing as a reliable business partner.

Boplan Polska Sp. z o.o. sells safety products to a broad scope of customers in Poland. Boplan relies on MDDP Outsourcing since the incorporation of the legal entity in Poland. The installation of the Polish sales office dates back to 2021. MDDP is responsible for bookkeeping, preparation of tax returns, statutory and management reporting and payroll services. MDDP has an important role in adherence to the local accounting regulations and problem-solving as well as supporting in legal and tax matters.
